1 As per letter sent (October 6, 2014) to all VVA WSC Officers, WSC Region Directors, and VVA Chapter Presidents and Officers must have representation at half of the State Council’s scheduled meetings. Failure to do so will result in disciplinary action. The () followed by the VVA Chapter # indicates the number of meetings attended in the calendar year i.e., 2015.
• Honored to be a guest speaker at the Wisconsin Veterans Home at King for the Vietnam Veterans day program.

• Attended the Congressional Hearing at Tomah VA.

• As WSC President, I served as guest speaker at Filmore’s Salute to Vietnam Veterans on Memorial Day.

• Spoke at Camp American Legion in Lake Tomahawk for the Annual Vietnam Veteran Week at the Camp. The Vietnam Veteran Week in 2016 will be June 8 – 14. No Cost to the veteran.

The Secretary reported that VVA National has formally suspended VVA Chapter 768 (Waupaca); however, no formal documents have been received from directly or copied to the WSC Secretary. A telephone discussion with VVA Chapter 768 President included the possibility of increasing membership through Vietnam Veterans residing at King (Note: VVA WSC President will provide additional contact information to VVA Chapter 768), the paperwork that must be submitted, disbursal of any remaining funds were recommended to be donated to VVA WSC Agent Orange Committee, and notification to all VVA Chapter 768 members of the action and their options (i.e., transfer to At-Large or nearby Chapter).

The Secretary indicated that two other VVA Chapters within the state are in distress i.e., decreasing numbers in attendance, moves away from Wisconsin, etc. Each of the VVA Chapters were given information similar to that of VVA Chapter 768. In turn, each of the VVA Chapter officers indicated they would begin to make determinations of dissolution prior to or immediately following Fall 2015.

The Secretary encouraged those all VVA Chapters in the WSC to get their Election and Financial Reports into VVA National, if they have not already done so. Additionally, any VVA Chapters attending the National Convention planning on attending should make room reservations as soon as possible. Those VVA Chapter members attending the National Convention as delegates must submit their paperwork as soon as possible and those VVA Chapters not sending delegates should be submitting the Release of Delegates to VVA WSC President Lindbeck.

The Secretary reviewed Tom Heitman’s request to entertain a motion at the September 2015 VVA WSC to make Amend Article 5 of the WSC Bylaws to include September as a regularly scheduled quarterly meeting. Thus, the Article would be amended to read. “The Council shall meet March, June, September, and December. Should the Council determine that it would be in the best interest of the Council to hold a State Convention, the Convention shall be held in June or September with the determination to be made at the March meeting for the following year.” This motion will be on the September 2015, Agenda.

Treasurer’s Report, Patrick Craney

• Following the Treasurer’s report it was reiterated that $400 per VVA and AVVA delegate was approved at the March 2015 VVA WSC Meeting.

Addendum:

The notes on the WSC Meeting in their entirety would not be possible without the assistance from Ms. Joy Foye. At a time when the Secretary was unable to hold a pen, let alone punch keys on a keyboard, Joy without hesitation took on the role of Secretary during the WSC’s March 2015 meeting. For Joy’s unwavering commitment and kindness I am truly grateful.

Thank you,

Agent Orange Committee

Called to order by Richard Lindbeck at 9:00 A.M.

Members present: Richard Lindbeck, John Margowski, Jim Mullarkey, Tom Heitman, Robert Piaro, Pat Craney, Pat Furno, Bob Morzenti, and Joseph Diting.

There was discussion on developing and publishing a booklet on how to establishing and present Agent Orange Town Hall Meetings. Suggestions for revisions will be discussed on a telephone conference call to be arranged by Jim Mullarkey after a DRAFT is developed.
There will be a Town Hall Meeting April 18, 2015, in Appleton at the Fox Valley Technical College. A flier has been provided with all necessary information.

The committee discussed that VVA Chapters who have not attended a Town Hall Meeting should have the opportunity to attend a mini Agent Orange Town Hall. This mini will provide the opportunity to see the content and how a meeting is conducted.

Those interested in holding a Town Hall were advised of the costs for printing the material. Printing is the major cost associated with a Town Hall Meeting. Several individuals who participated in the AO Committee meeting indicated they had contacts to do printing as well as places to hold the meetings.

Minoqua advised that they had the American Legion Hall and could access it for a possible Town Hall in the summer of 2015. Others were interested in having a Town Hall in the Future.

VVA Chapters interested in hosting an Agent Orange Town Hall Meeting in their area should put a small planning group together including their CVSO, other Veteran Service Organizations, allied veterans groups or societies in the area. Once an agreement to have a Town Hall Meeting is made, the VVA Chapter or committee/group representative should contact a member of Team Wisconsin: Michael Demske (VVA), Pat Furno (AVVA), Richard Lindbeck (VVA), or John Margowski (VVA Region 6). One of the team will work with you relative to basic organization, establishing the presentation team, and identifying material resources needed (e.g., fliers, folders, printed materials).

Jim Mullarkey will provide the local Chapter or VSO group working with Team Wisconsin with a DVD (i.e., videos produced by VVA and AVVA), CD or thumb drive with all printed materials.

The Committee will do a mini Town Hall Meeting at The HighGround in Neillsville on June 20, 2015, at the June WSC Meeting.

Meeting adjourned at 9:50 A.M.

Respectfully submitted by,

Richard Lindbeck
